GIANTS EVEN UP WORLD'S SERIES

By Trouncing White Sox in Fourth Game by Score of 5 to 0-Benny Kauff Came Into His Own, Getting Two Homers -Schupp Comes Back and Pitches Great Ball-Mc-Graw Shows Great Head Work, Using the Bunt Attack.

New York, Oct. 11.—Swinging their war clubs like the cave men of old, the New York Nationals battered their way to victory over the Chicago Americans here today by a score of 5 to 0. As a result of the second defect of the White Sox in two days, the Giants are traveling westward tonight on even terms with their rivals in the struggle for world series victory. The outcome of the battle for premier baseball honors is as much in doubt as before the series began in Chicago last Saturday. Each team now has won two contests and the indications point to a full seven game drive bewon two contests and the indications point to a full seven game drive before either club will admit the supremacy of the other.

The victory of the Glants in the fourth game was the most impressive of the struggle to date, for the National League color bearers excelled both in pitching and with the bat. While the Chicago combination threatened several times, they never got a runner beyond third base and the American League team left for the hore of Lake Michigan without crosing the Polo Grounds home plate in eighteen innings.

Only twice in the long history of world series baseball has Kauff's feat of two home runs in one game been duplicated. Before the former batting leader of the Federal League made his two circuit drives the bonor was divided between Harry Hooper of the Boston Americans of 1915 and Outfielder Dougherty of the same cigo in 1908. Hooper hammered two home runs into the bleachers in the fifth game of the world series of two years ago against the Philadelphia Nationals, while in the ancient days of the post-season play Dougherty established the record with his twin drives against the Pittsburgh Nationals of 1903. In shutting out the Sox without a run, following a similar feat by Rube Benton yesterday, Schupp also equalled for the Giants' team, as a whole, a double shutout which has been scored but few times since the beginning of the present century. In 1908 the Chicago Nationals white-washed the Detroit Americans twice in succession and in 1905 the Giants of those fars that out the Philadel. Two new diamond heroes leaped to pedestals of fame in the clash under Coogan's Bluff today for Ferdinand Schupp, of Louisville, Ky, turned the White Sox batters back without a run and Benny Kauff of Middleport, Ohio, led the batting massacre with two home runs.

The youthful left hander fully redeemed himself for the vicious saily of the Chicago club in the second game on their home grounds when the Comiskey Park batters drove him from the mound early in the contest. in succession and in 1965 the Giants of those days shut out the Philadelphia Athletics four games of five while the only viotory of the Mackmen was

In the "lucky seventh" the Giants secred again. Fletcher singled off Mc-liullin's glove and took third when Faber's spitball flew wild and Schalk had to chase it to the grandstand wall. Robertson went out. Faber to Gandil,

With Holke on second Schupp was retired. Weaver to first.

Faber retired at the end of the seventh inning and Danforth took up the harling for the White Sox when the Giants went to bat in the eighth. Burns fanned but Captain Harzog splashed a single to center and for the second time in the game Kauff found a ball to his liking and sent it sailing away for another home run. This time he hooked the ball toward right field and the sphere dropped leissurely into the grandstand back of first base while Kauff trotted around the bases, preceded by Herzog for the final runs of the contest.

Zimmerman tried to duplicate Kauff shit but the best he could do was to triple to center and he was caught at the plate in an attempted steal home after Fletcher was thrown out at first on a strikeout.

Kauff's Terrific Grack.
There was nothing to forecast the sensational developments of today's game in the early innings. For three sessions it was a pitchera battle between Faber and Schupp, with little, it any, advantage on either side. Schalk Makes a Clean Single.

"Home Run" Benny Starts Something.
Captain Collins was boosed as he took his position for the Giants fourth inning. Burns struck out and lierzog was thrown out by E. Collins. Then came Benny Kauff's first home run, the longest hit of the game. The ball struck near the fence. Felsch made several attempts to pick it up from lehind a Liberty bond sign and when he did finally get it Kauff was nearing third. The former Federal League star was wildly cheered as he crossed the plate, the throw in being newhere and run system to bunting. Robert, son and Holke both iaid down perfect bunts and by fast sprinting the bases were filled. Bariden's hopper to Faber resulted in a double play, Fietcher being forced at the piate and Schalle's quiet throat to Gardill at Schalk's quick throw to Gandli get-ing Rariden by a step. Schupp's sin-ale to center sent Robertson across the plate but Holke was caught by elsch's rapid return of the ball as the tried to slide in a stride behind the plate, the throw in being newhere near nim when he scored. Zimmerman relled out, Eddie Collins to Gandil. The White Sox tried desperately to score in the fifth inning but a rambling double play killed their chances. Gandil started with a single to left

THE ART OF HITTING THEM HARD AND SAFE

Is a Tough Proposition for Stuffy Mc-Inniss.

The system in making base hits is to thit am where they ain to as Willie Keeler used to say, but in the case of study McInnis of the Athletics it is the exact opposite. The first sacker that just as much chance to dereive the enemy when he steps up to the plate as a burglar who carries a brass hand. band around with him. hiverybody knows where he is going to hit the oall and makes preparations accord-ingly. Have you ever noticed the ac-tions of the other leam when Stuffy appears? Everybody moves over to left field except the pitcher and the players on the bench. The left fielder amples over to the foul line, the center fielder gets close enough to whisper to his ear and the right fielder is in position to pick both their pockets. The third baseman lingers close to the bag, the shortatop gets behind him and the second baseman atteks around close leneugh to hear anything that might be said about him. Even the first baseman takes a trip to that side of the dismond occasionality and when of the diamond occasionally, and when in the grandatoud. The entire team is mobilized to great anything Stuffy has to offer. Sometimos he walloos one through the whole face and that's when he gets his bits. The opponents know where the ball is going, but hope it would
